

# Sink Mounting Information

## Stainless Steel / Porcelain Undermount Models

- For illustration purposes only; actual sinks and clips may have different shapes and / or sizes.
- Many sinks include mounting clips; please check when ordering to make sure your model comes with clips.
- Some manufacturer-supplied clips do not come with screw fasteners.
- *Recommended only for solid-surface countertops (non-laminate).*
- Silicon caulk is not included with sink purchase.

## Optional "No Drill" Mounting Clips

Requires no drilling! Simply clean area and mount to underside of countertop with solid surface adhesive.

Results in a strong & secure mounting. Great for stainless steel and porcelain sinks undermounted on any surface.

Available in bags of eight, with either round or rectangular heads.

## Cast Iron Undermount Models

Required for any Ceko warranty, the Vance Undermount Sink Installation kit is also made of cast iron, and comes pre-assembled.
